## EDUCATION

### JUST IT

April 2022 - Present

### TREEHOUSE

March 2022 - Present

### DNIPRO UNIVERSITY OF TECHNOLOGY, UKRAINE

2008 - 2013

### JUNIOR DEVELOPER STUDENT

**Web Technology: HTML5, CSS3, JavaScript and SQL.**

During our web development course in London, I learned the essentials of programming while building my own web applications.

**Skills Acquired: HTML5, CSS3, SASS, Bootstrap, JavaScript.**

I completed my Treehouse Tech Degree in FrontEnd Web Development where I learned fundamental & intermediate concepts. Throughout the Tech degree I build 9 projects which demonstrate my understanding of these concepts.

### SALES CONSULTANT

Inspire customers and exceed their expectations by providing a luxury selling experience to all by using excellent product and brand knowledge. Consistently achieving or exceeding monthly and seasonal individual and store sales goals, enhancing and developing the business. Advising customers on general information about product/brand heritage, features, warranties and trends.

### SOFTWARE DEVELOPMENT

12 week intensive Bootcamp covering the fundamentals of Web and Software Development.

### FRONTEND COURSE

Frontend Web Development Tech Degree at Treehouse.
